

“ALMOST CHRISTMAS MORNING”

MAYOR

*A day like this comes when it will
Although you hope helplessly
No matter how you wait, or wish that it will come
The time falls slow like snowflakes
It's almost impossible to hold on much longer
It's almost Christmas morning*

MAYOR

*The sun goes down then you know
It's so close you can touch it
The sleep in your eyes the humming in your heart
It feels like it's nearly too much*

MAYOR and NUTCRACKER

*It's almost impossible to hold on much longer
It's almost Christmas morning*

NUTCRACKER

*The presents you've dreamed of
The moments you've wished for
You can't get to sleep, then you open your eyes
And morning is here*

FRITZ

*Alone in your bed, staring at the door
Before you run breathless
Now that it's almost here, you know it's almost gone
A snowflake on your tongue*

FRITZ and NUTCRACKER

*It's almost impossible to hold on much longer
It's almost Christmas morning*
