

The Bus Driver's Responsibility Song

From Emerald City Theatre's production of
Don't Let the Pigeon Drive the Bus

Responsibility

Means you can count of somebody!

For trust

You must

Show others you won't go bust

And try to imply

How folks could on you rely

Responsibility

Means you can count of somebody!

For example, should your brand new
friend

Give a book to you for you to lend

Keep an eye on it and gently tend

Or that friendship you may have to mend.

Responsibility

Means you can count of somebody!

Take heed

The need

To think of all your deeds

Cause acts

Impact

The way others see the facts!

Responsibility

Means you can count of somebody!

Sing this song to
the melody of
"Shoo Fly Don't
Bother Me"

Join us for the play to continue the fun!
