

“LET’S RUIN CHRISTMAS”

MOUSE KING

*Let’s ruin Christmas -- let’s throw it all away
It’s always been over-rated
Let’s capture Santa — let’s tie him to his sleigh
I never liked him anyway
Ha ha ha – hey hey hey!
Let’s ruin Christmas Day!
Ha ha ha -- boo hoo hoo
Let’s ruin New Year’s too!
Let’s wreck the presents -- let’s smash ‘em all to bits
And grind the pieces in the dirt!
Please think about the children -- and breaking their little hearts
Talk about giving ‘til it hurts!
Ha ha ha –hey hey hey!
Let’s ruin Christmas Day!
Ha ha hey -- boo hoo hoo
Let’s ruin Hannakuh too!
All the little kiddies in all their little beddies
Will wake up with the sweaties and headaches in their headies
The Christmas trees will all be burned
There’ll be no more Christmas cheer
And Santa Claus’ name will turn
To Loser of the Year
Let’s ruin Christmas -- let’s throw it all away
It’s always been over-rated
Let’s call the whole thing off — let’s wreck the holiday
I never liked it anyway
Ha ha ha –hey hey hey!
Let’s ruin Christmas Day!
Ha ha hey -- boo hoo hoo
Merry Christmas to you!*
