How many classrooms are in 3rd Grade? _____

Please answer the following questions as specifically as possible. Please limit each answer to a maximum of 1500 characters.

****Please note: Your application should be unique to this year's students, successes, and challenges****

What, in your opinion, is the greatest academic challenge for K – 3rd grade students at your school? How are you currently addressing this challenge?

emerald city theatre

This award is meant to address students' literacy skills as well as provide exposure to theater. How do you think this award would directly impact the K – 3rd grade student sat your school, specifically in terms of literacy and the arts?

How would the teachers at your school further support this award both before and after the performance? What learning goals would this award support?

Why do you think your school is deserving of this award? What makes your school special and unique? Tell us more about your students!

Past Winners: Apply for a Read, Write, & Act Residency Grant

Past One Fund winners may also be eligible to receive a Read, Write, & Act Residency for a few select classrooms in Kindergarten through 3rd Grade. This residency integrates literacy with theater skills and meets for 45 – 50 minutes per class. At the end of the residency, these students present a performance for family, friends, or other classrooms in your school. To learn more about residencies, [click here](#).

Are you interested in applying for the Read, Write, & Act Residency (circle one option)?

Yes

No

Your school: _____

If awarded a residency, which grade would benefit most from the program?

What learning goals would you hope to address with this residency program?

How would your classroom teachers integrate an arts residency into their classroom curricula?

What impact could this residency have on your students?
